EXECUTIVE SUMMARY

Strategic IT Operations Leader with 17+ years of experience, including 11+ years of **operational sovereignty** at **Korn Ferry**. Trusted by global leadership to operate as the **sole site authority** for the Mumbai executive hub, managing the end-to-end service lifecycle, CMDB integrity, and VIP support with zero local supervision. Expert in "Infrastructural Grit"—the discipline required to maintain enterprise-grade stability and governance in high-stakes environments. Establishing residency in New Jersey to drive operational excellence for a mission-critical organization.

CORE COMPETENCIES

- **Operational Governance:** SLA/KPI Management, ITIL v4, & Independent Site Leadership.
 - **Service Transformation:** Incident & Problem Management, ServiceNow, & Process Optimization.
 - **Asset Stewardship:** 100% CMDB Accuracy, Endpoint Lifecycle, & Vendor Accountability.
 - **Executive Continuity:** VIP Support for Global Partners & Senior Consultancy Leadership.
-

PROFESSIONAL EXPERIENCE

KORN FERRY | Mumbai, India IT Operations Lead (EUC & Infrastructure) | Oct 2013 – Sept 2025

- **Independent Site Authority:** Operated as a "one-man army" with total accountability for the Mumbai hub's technical footprint, ensuring 98%+ SLA compliance for a high-stakes executive environment.
- **Operational Sovereignty:** Functioned with full autonomy, reporting to global leadership while managing all local incident lifecycles, service requests, and hardware infrastructure.
- **CMDB & Governance:** Owned the regional CMDB, maintaining 100% asset accuracy through disciplined lifecycle controls—from procurement and imaging to secure decommissioning.
- **Executive Stewardship:** Provided high-touch, white-glove support for VIPs and Senior Partners, ensuring zero-downtime for mission-critical consultancy operations.
- **Process Engineering:** Modernized local onboarding/off-boarding workflows, ensuring 100% Day-1 readiness for all new enterprise hires through standardized imaging and profile migration.

TEAM COMPUTERS | Mumbai, India Residential Engineer (Senior Infrastructure Support) | July 2012 – Sept 2013

- **Enterprise Residency:** Stationed at client sites to manage high-volume hardware deployments and server-side troubleshooting as the primary technical expert.
- **Escalation Leadership:** Acted as the Tier 3 point for complex outages, coordinating with vendors to restore services within strict enterprise timelines.

SAM INFOTECH | Mumbai, India Technical Support Engineer | July 2011 – July 2012

- Managed LAN/WAN connectivity and hardware maintenance (Servers, Routers, Switches) for diverse client environments.

RELIANCE COMMUNICATIONS | Mumbai, India Customer Service Representative | May 2007 – June 2011

- Developed core professional discipline in stakeholder communication and high-volume incident resolution.

TECHNICAL SIGNATURE

- **ITSM & Governance:** ServiceNow (Incident, Request, Asset, CMDB), ITIL v4.
- **Systems:** Windows Server, Active Directory, Windows 10/11, Microsoft 365, Teams.
- **Infrastructure:** LAN/WAN, Network Troubleshooting, Endpoint Security, Asset Lifecycle.

EDUCATION & CERTIFICATIONS

- **ITIL® 4 Foundation** | KnowledgeHut UpGrad (2026)
- **Bachelor of Computer Applications (BCA)** | Yashwantrao Chauvan Maharashtra Open University (2013)
